

CURRICULUM VITAE
Giese-Davis, Janine, Ph.D

12/9/2009

I. BIOGRAPHICAL DATA

Janine Giese-Davis, Ph.D.

Department of Psychosocial Resources, Tom Baker Cancer Centre
Alberta Cancer Board – Holy Cross Site
2202 – 2nd St. S.W.

Calgary, AB T2S 3C1

Phone: (403) 698-8175

Cell: (403) 604-1009

Fax: (403) 355-3206

E-mail: janinegi@cancerboard.ab.ca

jgieseda@ucalgary.ca

Website: Giese-Davis.com

Associate Professor

Division of Psychosocial Oncology, Department of Oncology
Faculty of Medicine

Adjunct Associate Professor of Psychology
University of Calgary

II. ACADEMIC RECORD

Postdoctoral Fellowship (1994-1997)
Stanford Psychiatry and Behavioural Medicine
Stanford School of Medicine
Psychosocial Treatment Laboratory
Research Fellowship and Clinical Training
Supervisor: David Spiegel, M.D.

Ph.D. (1994) Clinical Psychology
University of Illinois, Urbana-Champaign
Dissertation: The Concept of Conflict in Health Psychology: Person by Situation
Measurement
Advisor: Gregory A. Miller, Ph.D.

M.A. (1989) Clinical Psychology
University of Illinois, Urbana-Champaign
Thesis: Template Matching in Anhedonics and Dysthymics
Advisor: Gregory A. Miller, Ph.D.

B.A. with Distinction (1981) English Literature with additional Teaching Certificate
Colorado State University, Ft. Collins, CO

B.S. (1979) Psychology

III. AWARDS AND DISTINCTIONS

1. American Society of Preventive Oncology Conference Poster: 2009 Depression, Fatigue and Diurnal Cortisol Rhythm among Cancer Patients, Caregivers and Older Adults. Palesh, O., Giese-Davis, J., Mustian, K., O'Hara, R., Gallagher-Thompson, D., Kraemer, H., Janelsins, M., Peppone, L., Purnell, J., Morrow, G., Spiegel, D. 3rd Place, Honorable Mention.
2. Society for Behavioral Medicine Citation Abstract: 2002 Emotional expression during narratives in a breast cancer support group, Perry, C.J., Giese-Davis, J., Spiegel, D. (Washington, D.C.). Caroline Perry won a citation for the abstract on her undergraduate honors thesis work, for which I was the primary supervisor.
3. Lead Writer on the Pilot Grant "Does a Peer Navigator Improve Quality of Life at Diagnosis" selected as a grant funded through a tax-payer check off initiative for the State of California as particularly relevant to the citizens of California. 2001
4. Herman Eisen Award for Professional Contribution to Psychology Annual award to clinical student for professional contribution to the community. 1992
5. Certificate of Appreciation, American Cancer Society Support Group Organizer and Leader. 1987
6. Phi Kappa Phi, National Honor Society, 1981
7. Phi Beta Kappa, National Honor Society, 1980
8. Listed in "An Incomplete List of Teachers Rated as Excellent by Their Students" Daily Illini (campus newspaper) for teaching Psychology of Health.

IV. ACADEMIC APPOINTMENTS

Associate Professor
Division of Psychosocial Oncology, Department of Oncology
Faculty of Medicine
University of Calgary
2008 - Present

Adjunct Associate Professor
Department of Psychology
Faculty of Social Sciences
University of Calgary
2008 - Present

Senior Research Scientist
Department of Communications
Stanford University

2008

Senior Research Scholar
Department of Psychiatry and Behavioral Sciences
Stanford University School of Medicine
2002 – 2008

President and CEO
iEMPATH, LLC
2007-Present

Research Associate
Department of Psychiatry and Behavioral Sciences
Stanford University School of Medicine
1997 – 2002

Post-Doctoral Fellow
David Spiegel, M.D. Mentor
Department of Psychiatry and Behavioral Sciences
Stanford University School of Medicine
1994 – 1997

Clinical Intern
Palo Alto Veterans Administration Medical Center
1992 -1993

Coordinator
Self-Help Center:
A Program of Family Service of Champaign County Illinois
1989 - 1990

V. EDUCATIONAL ACTIVITIES

i. Undergraduate

- Primary Supervisor for Alberta Heritage Foundation For Medical Research Summer Studentship Student 2009, Kathryn M. Rancourt (University of Alberta Psychology Department), *Assessing the Unmet Needs of Cancer Survivors in Alberta*
- Honours Thesis First Reader 2009-2010: University of Calgary Psychology Department Honour Student, Jennifer Bethune: *To be determined.*
- Honours Thesis Second Reader 2009: University of Calgary Psychology Department Honour Student, Jana Kurilova: *An Investigation of a Brief Four-Week Mindfulness Intervention: Effects on Mood Disturbance, Symptoms of Depression, Cognitive Responses to Stress, and Mindfulness.*
- Honors Thesis Primary Supervisor First Reader 2003 - 2004: Stanford Psychology Honor Student, Rebecca Allen: *Pride and Depression in Primary Breast Cancer.*
- Honors Thesis Primary Supervisor. First Reader 2001: Stanford Human Biology Honor Student Caroline Perry. Stanford's Firestone Medal Recipient for *Emotional Expression During Narratives in a Breast Cancer Support Group.*

- Honors Thesis Primary Supervisor, First Reader 2001: Stanford Biology Honor Student, Wendy Ellis: *Therapist Behaviors and Emotional Expression in Online vs. Face-to-Face Cancer Support Groups: A Comparative Study*.
- Honors Thesis Primary Supervisor, First Reader 1997: Stanford Human Biology Honor Student, Julie (Chung In) Choe. Firestone Medal Recipient for *Emotional Resonance of Psychological Support Groups of Women with Breast Cancer: A Pilot Study*.
- Instructor/Supervisor (1994 – 2008). Stanford Psychiatry and Behavioral Medicine. Psychosocial Treatment Laboratory/the Emotion Coding Lab--Stanford.
 - Undergraduate Independent Study. Supervised over 230 students over 10 years. Most of these interns went on to medical school. These interns code behavior using a number of different coding systems. Interns have also participated in data management, data entry, phone interviewing, participant recruitment, programming, and have helped with grant submissions.
- Instructor (1991) for The Psychology of Health (2 semesters) Department of Psychology, University of Illinois
- Instructor/Advisor (1984 – 1991). Department of Psychology, University of Illinois. Undergraduate Independent Study. Supervised 60 students working on psychophysiology data collection and programming, primary breast cancer marital interaction coding, daily-diary data management and coding for dissertation.
- Teaching Assistant (1984). Abnormal Psychology (2 semesters). Department of Psychology, University of Illinois.
- Teaching Assistant (1983). Clinical Psychology (2 semesters) Department of Psychology, University of Illinois.
- Teaching Assistant (1983). Community Psychology (2 semesters) Department of Psychology, University of Illinois.

ii. Graduate

- Dissertation Primary Supervisor for Christopher Han, Stanford Management Sciences and Engineering. 2008 – Present.
- Dissertation Primary Supervisor for Malte Jung, Stanford Design Engineering: *Affect in Design Teams as a Predictor of Team Cohesion and Design performance* 2006 - Present
- Dissertation Primary Supervisor for Maya Yutsis, Pacific Graduate School of Psychology: *Exploration of Moderator Effects of Adult Attachment Style on Psychosocial Adjustment in Breast Cancer Support Groups*. 2003 -2008
- Dissertation Primary Supervisor for Lynn Dubenko, Aliant Professional School of Psychology: *Validation of the Breast Cancer Specific Affect Coding System for Measurement of Emotional Expression in Breast Cancer Support Groups* 2003-2007
- Primary Supervisor: Stanford Medical Scholar's Student, Anna Liess: *An Analysis of Emotional Expression in Electronic vs. Face-to-Face Cancer Support Groups: A Comparative Study* 2003-2005
- Dissertation Primary Supervisor for Erin Macintyre, California Professional School of Psychology *Posttraumatic Growth Effects of Complementary/Alternative Medicine (CAM) In Breast Cancer Patients Participating In Group Therapy* 2001–2003.

iv. Postdoctoral

- Co-Primary Supervisor (with Linda Carlson) for Postdoctoral Fellow 2009-2011, Rie Tamagawa, Department of Psychosocial Resources, Tom Baker Cancer Centre, Alberta, Canada.

- Primary Supervisor for Postdoctoral Fellow 1991-2003, Heather C. Abercrombie, Department of Psychiatry and Behavioral Sciences, Stanford University.
- Primary Supervisor for California Breast Cancer Research Program Postdoctoral Grant Recipient 1998-2000, Matthew Cordova, Department of Psychiatry and Behavioral Sciences, Stanford University: *Do Community Groups Enhance Well-Being?*

VI. PROFESSIONAL ACTIVITIES

Membership in Professional and Learned Societies

- Society of Behavioral Medicine 1994-2009
- Society for Psychophysiological Research 1985-2002
- American Psychological Association 1985-1998
- American Psychological Society 1988-1998
- American Psychosomatic Society 2009

Clinical

- Clinician for Clinical Trials of Supportive-Expressive Group Therapy for women with primary and metastatic breast cancer, and for Irvin Yalom's Here-And-Now Group Psychotherapy for women with a childhood history of sexual abuse for the Psychosocial Treatment Laboratory Stanford Psychiatry and Behavioral Sciences. 1994 – 2001
- Postdoctoral Clinical Training. Stanford Psychiatry and Behavioral Medicine. (APA approved). Clinician for individual and group interventions for women with breast cancer, for general Behavioral Medicine Clinic clients (generalized anxiety disorder, psychosomatic illnesses), and group interventions for women who experienced childhood sexual abuse. 1994 – 1997
- Internship. Palo Alto Veterans Administration Medical Center. (APA approved). 1992 – 1993 Rotations:
 - Behavioral Medicine (Outpatient smoking cessation, sexual dysfunction secondary to prostate cancer, cancer clinic consultation, coping with debilitating cardiovascular disease)
 - Satori (Inpatient therapeutic community for male veterans who had failed out of every other drug and alcohol treatment program and had either narcissistic, antisocial, or borderline personality disorders. A typical stay for these men was 8 months. Therapeutic community had existed for 23 years and utilized peer mentors who had “graduated” and were successful in the community)
 - Rheumatology Clinic (Outpatient consultation in the rheumatology clinic for male and female veterans who were either requesting psychological services for difficulty coping with pain or loss of function, or at the request of the clinic for those who were having difficulty with adherence to medication, behavioral programs, and exercise recommendations. Individual therapy with clients who requested longer term intervention)
 - Andrology Clinic (Outpatient consultation in the Andrology Clinic for veterans who had erectile dysfunction secondary to medical illness. In this clinic, physicians and psychologists worked closely to create effective interventions that included vacuum-constriction devices, testosterone shots if warranted, and individual and couple's therapy)
 - Comprehensive Rehabilitation Center (Inpatient clinic for brain injuries and illnesses. Provided daily neuropsychological testing and psychological intervention for a range of clients with brain tumors, A.L.S., Stroke, brain injuries. Provided individual and couple's therapy for outpatients who had had brain injuries or illnesses.

- Psychology Intern. Psychological Services Center, University of Illinois. Practicum: Behavioral Medicine, Feminist Therapy, Neuropsychological Testing, Community Intervention. 1984 – 1991.

Professional Service

Journal Reviews

- *Psychological Review*—2009-Present
- *Journal of Psychosomatic Research*—2008-Present
- *Journal of Personality*—2009-Present
- *Journal of Personality and Social Psychology* – 2008 - Present
- *American Journal of Geriatric Psychiatry*-2008-Present
- *British Journal of Health Psychology*. 2008 – present
- *Society of Behavioral Medicine Abstracts Biological Mechanisms in Health Behavior Change*. 2006 – present
- *Cancer*. 2006 – present
- *Psychology and Aging*. 2006 – present
- *Archives of General Psychiatry*. 2004 - present
- *Journal of Consulting and Clinical Psychology*. 2002-Present
- *Personality and Individual Differences*. 2002 – present
- *Emotion*. 2001 – present
- *Psycho-Oncology*. 2000 – present
- *Social Science and Medicine*. 2000 – present
- *Journal of Family Psychology*. 1999 – present
- *International Journal of Self-Help and Self-Care*. 1999 - present
- *Psychophysiology*. 1994 – present

National and International Committees

- American Psychosomatic Society's Representative to the IOM Alliance on Quality Psychosocial Care Demonstration Projects Committee 2008-Present
- American Psychosomatic Society's Representative to the IOM Alliance on Quality Psychosocial Care Research Committee 2008-Present
- Champaign County American Cancer Society Board Member: Co-chair of the Service and Rehabilitation Committee.
 - 1) Organized of a bi-annual cancer conference, Living Well with Cancer, co-sponsored by the University of Illinois, College of Medicine
 - 2) Coordinated Reach for Recovery, Cansurmount, and other service programs (we initiated the Cansurmount peer-counseling program in Champaign County in 1990).
 - 3) Facilitated the Cansurmount volunteer visitors' monthly group meetings. The University of Illinois, College of Medicine. 1990 - 1992
- American Cancer Society Board Member. Organized a cancer conference, Cancer: Facing the Challenge, co-sponsored by the University of Illinois, College of Medicine. 1989.
- Community Cancer Education Committee. Champaign-Urbana, Illinois. Member of an interdisciplinary committee which sponsored 4 educational programs (6 speakers each) on topics about which cancer patients requested information. 1986 – 1989.

Community Service

- Advisory Consultant. Act as an advisory consultant to The Wellness Community National Organization. 2001 – present
- Organization of an Independent Cancer Support Group. Facilitated the organization of a Cancer support group in Champaign-Urbana, Illinois. Initially co-led the group and facilitated the election of member-leaders. 1986 – 1992
- Self-Help Center Advisory Council Member Self-Help Center, A Program of Family Service of Champaign County. 1992

Other

- Presentation for the Biomedical Ethics & Medical Humanities Scholarly Concentration Workshop: Draw the Feeling, October 13, 2006
- Panel Discussion member for The Art of Healing Breast Cancer: A Union of Science and Design. Sponsored by The California Breast Cancer Research Program of California and the U.C. Davis Design Museum. 2004
- Invited Consultant to Think Tank “Supporting and Expanding the Self-Help Group Movement” Supported by the California Endowment. 1999
- Development of the Emotion-Coding Lab Stanford. I developed a method to code emotional expression from videotape of women participating in cancer support groups © 1996, Stanford University, All Rights Reserved.

VII. RESEARCH SUPPORT

i. Grants Pending

1. Owen, J.E., Bantum, E.O., Elhadad, N., Giese-Davis, J., Golant, M., Buzaglo, J. Use of natural language processing to identify linguistic markers of coping. National Cancer Institute, US National Institutes of Health. July 2010 – June 2012 (\$274,407 and \$133,087) \$407,949
2. **Carlson, L.E.**, Giese-Davis, J., Magliocco, A.M., Beattie, T. Effects of Mindfulness-Based Stress Reduction (MBSR) and Supportive Expressive Therapy (SET) on biomarkers of cell aging, immune function and stress in breast cancer survivors. ACRI Operating Grant.
3. **Giese-Davis, J.** (PI), Carlson, L.E., Magliocco, A.M., Bech-Hansen, T., Eliasziw, M., Lounsbury, J. Exploring a genetic predictor of distress in the first year of breast cancer survivorship. Canadian Breast Cancer Research Alliance, DEX Grant. \$65,000
4. Wally, B., Lupichuk, S., Joy, A., Railton, C. & **Giese-Davis, J.** Virtual breast cancer survivorship clinic: Assessing the need in Alberta. LOI submitted to Canadian Breast Cancer Foundation Prairies/NWT. September 2009. \$50,566.20
5. Carlson, L.E., **Giese-Davis, J.**, Magliocco, A.M., Beattie, T. Effects of Mindfulness-Based Stress Reduction (MBSR) and Supportive Expressive Therapy (SET) on biomarkers of cell aging, immune function and stress in breast cancer survivors. CCSRI Research Grant. \$207,739. 2010-2013
6. **Giese-Davis, J.** (PI). CancerBRIDGES Survivors’ Network: Bridging the transition from active treatment to resilient life. The Order of the Eastern Star: Cancer Survivor’s Grand

Matron Project. 2009 – 2010 (\$30,000-\$50,000)

7. **Giese-Davis, J.** (PI), Carlson, L.E., Hagen, N., Reuther, J.D. Assessing the Unmet Needs of Cancer Survivors in Alberta. Canadian Institutes of Health Research, Catalyst Grant – Cancer Survivorship September 2009-September 2010 (98,349)
8. Spiegel, D. (PI). **Giese-Davis, J.** (Advisory Board). Stress, the HPA, and Health in Aging. CI for stress, the HPA, Depression and Breast Cancer. Assessment Core for N.I.A./N.C.I Program Project Grant: 2009-2013 (\$8,000,000)

ii. Grants Currently Held

9. Stephen, J.E. (PI), **Giese-Davis, J.** (Co-I), Linden, W., Chia, S., Specca, M., Taylor-Brown, J, Fergus, K., Keller-Olaman, S and Fillion, L. An RCT Testing Efficacy of Professionally and Peer -led Online Support Groups for Young Canadian Breast Cancer Survivors. Canadian Breast Cancer Research Alliance, Psychosocial Aspects of Breast Cancer . Dec. 2009-June 2014 582,995
10. **Giese-Davis, J.** (PI), Carlson, L., Chobanuk, J., Lau, H., Hao, D., Railton, C., Shirt, L., Taylor, A., Fassbender, K., Walley, B. & Joy, A.A. Alberta CancerBRIDGES Care Plan Implementation for Breast and Head and Neck Cancers. Canadian Partnership Against Cancer, Cancer Journey Action Group. October 2009 – September 2010. \$100,938
11. Carlson, L.E., (PI), **Giese-Davis, J.** (Candidate). Alberta Cancer Research Institute (ACRI) Recruitment and Retention Funding. Funding to support 3 years of salary, moving costs, and lab set-up costs for Janine Giese-Davis, Ph.D. (\$655,616: 1st = \$143,400, 2nd = \$132,300, 3rd = 138,916) 2009 - 2012

iii. Grants Previously Held

12. **Giese-Davis, J.** NCIC Junior Investigator Grant Panel Travel Award. For travel to Toronto as Selected Investigator for the **Panel K - Supportive Care, Palliative Care and Psychosocial Issues (\$1000).**
13. Nass, Clifford (PI), **Giese-Davis, J** (CI). REVS IT UPP! Robot-Enhanced Vehicles: Safety, Information, Training, and User and Passenger Pleasure Unable to list sponsor due to confidentiality agreement. Goals are to investigate the emotional and safety impact of voice communication with an in-car robot with the addition of haptics that both give warnings of upcoming driving conditions in a driving simulator. Principal Investigator: Clifford Nass, Communications Department Stanford. 2007 – 2008. \$150,000
14. **Giese-Davis, J.,** (PI) Nass, C. Shariq, S. Emotional Resonance Expert for A project to accelerate shared global prosperity by real-time venture creation. This is a research/intervention for entrepreneurs taking products into developing countries. Aim is to increase sustainability of ventures across political and economic upheavals, and to eventually work with indigenous ventures to increase their sustainability. Kozmetsky Global Collaboratory: (\$6,000,000 5 years) 2004 – 2009.
15. **Giese-Davis, J.** (Consultant) Emotional Expression in Engineering Design Groups: Emotional expression analysis of engineers participating in a business game for

managers. Goals are to examine relationship between expression and success of engineering teams and to design interventions for teams. Unable to list sponsor due to confidentiality agreement (5000 €). 2008

16. **Giese-Davis, J.** (PI) for Cultivating Emotional Balance-Does Mindfulness Meditation Plus Compassion Training Change Emotional Behaviour in a Marital Conflict? Analysis of The Coding Lab-Stanford's coding of marital interaction as a pre-post test of a randomized trial of meditation for female school teachers. (\$7,741). 2007
17. **Giese-Davis, J.** (PI) for grant to study Emotional Resonance of Television Talent Examining the emotional expression/resonance of TV News Anchors. Unable to list sponsor due to confidentiality agreement. (\$10,500). 2006 – 2007
18. Spiegel, D. (PI), **Giese-Davis, J.** (CI) for grant to study Attention Enhancement in Man-Machine Interfaces. The goal is to investigate methods for attention enhancement in man-machine interfaces. Unable to list sponsor due to confidentiality agreement. (\$767,601). 2005 – 2007
19. **Giese-Davis, J.** (PI) for Assessing the Impact of Shame and Guilt in Recovery. Breast Cancer Research Program of California Grant (\$100,000 1 1/2 year-IDEA Grant). 2003 – 2005
20. Spiegel, D. (PI), **Giese-Davis, J.** (CI) Does a Peer Navigator Improve Quality of Life at Diagnosis? Providing funds for collaboration with La Familia Center Santa Cruz toward the goal of working with monolingual Spanish-speaking women with breast cancer. Breast Cancer Research Program of California Grant. Supplemental Grant (\$20,000). 2002 – 2004
21. Margaret E. Kemeny, Ph.D. and Paul Ekman, P.I.s., **Giese-Davis, J.** (Consultant) My lab conducted the emotion coding of the marital interaction task within the randomized study: Cultivating Emotional Balance in Challenging Times. Consultant and lead writer of articles coming from analysis of this task. Consultant for Fetzer Grant. (\$32,299) 2002 - 2006
22. Spiegel, D. (PI), **Giese-Davis, J.** (Lead Writer and CI) for Does a Peer Navigator Improve Quality of Life at Diagnosis? Breast Cancer Research Program of California Grant: (\$500,000 5-year randomized Community/Research Collaboration). 2001 – 2006
23. Spiegel, D. (PI), **Giese-Davis, J.** Co-Investigator for N.I.A./N.C.I Sponsored Diurnal Cortisol, and Breast Cancer Survival and Research Coordinator for N.I.A. /N.C.I. Program Project Grant: Stress, the HPA, and Aging. (\$8,000,000). 2001 - 2006
24. Lieberman, M. (PI), Golant, M. (PI), **Giese-Davis, J.** (Consultant) for Effectiveness of Internet vs. Face-to-Face Support. Groups Breast Cancer Research Program of California Grant (\$500,000 3-year randomized Community/Research Collaboration). 2001 – 2004
25. Spiegel, D (PI), **Giese-Davis, J.** (CI) for Emotion Coding of Videotaped Group Psychotherapy. Competing renewal NIMH Sponsored Grant: Effects of Psychosocial Treatment on Cancer Survival (\$2,000,116 competitive renewal of a randomized trial of supportive-expressive group therapy): 2000 – 2005

26. Spiegel, D. (PI), **Giese-Davis, J.** Lead writer and Co-Investigator/Project Director Does a Peer Navigator Improve Quality of Life at Diagnosis? Breast Cancer Research Program of California Grant: (\$100,000 1-year pilot Community/ Research Collaboration). 2000 – 2001
27. Greenburg, M. (PI), **Giese-Davis, J.** (Consultant) for Does Expressive Writing Enhance the Health Effects of Cancer Support Groups? California School of Professional Psychology Mini Grant (\$8,000). 2000
28. **Giese-Davis, J.** (Co-Investigator) for Effects of Self-Hypnosis on Emotional Expression and Depression in Metastatic Breast Cancer Patients. Bill Kimpton Foundation Grant: (\$25,000 Gift). 2000 – 2002
29. Lieberman, M. (PI), Golant, M. (PI), **Giese-Davis, J.** (Co-Investigator) for Effectiveness of Electronic Support Groups for Breast Cancer. Breast Cancer Research Program of California Grant: (\$100,000 1-year pilot Idea Grant) 1999 – 2000
30. Spiegel, D. (PI), **Giese-Davis, J.** (Lead Writer and Co-Investigator/Project Director) for Do Community Cancer Support Groups Reduce Physiological Stress? Breast Cancer Research Program of California Grant: (\$500,000 3-year randomized Community/Research Collaboration) 1998 – 2002
31. **Giese-Davis, J.**, Spiegel, D. Wrote and was awarded a Postdoctoral Fellowship as a part of larger John D. and Catherine T. MacArthur Mind/Body Network Grant: The Impact of Emotional Expression on Social Support and Group Interaction in Metastatic Breast Cancer Support Groups. Stanford School of Medicine. 1996 – 1998. (\$171,309)
32. **Giese-Davis, J.** (PI), Spiegel, D. (Mentor). Wrote and was awarded a Postdoctoral Fellowship Grant from the Breast Cancer Research Program of California: Does Change in Emotional Expression Mediate Cancer Survival? Stanford University School of Medicine. 1995 – 1997. (\$74,848)
33. **Giese-Davis, J.** (PI), Spiegel, D. (Mentor) Wrote and was awarded Postdoctoral Fellowship Grant from the American Cancer Society: Cancer Support Groups: Professional vs. Member Leadership Principal Investigator: Stanford University School of Medicine. 1994 – 1995. (\$25,000)

VIII. INVITED ADDRESSES/EDITORIAL

1. **Giese-Davis, J.**, *Cancer Survivorship: Planning for the future*. Cancer Care 2009: Maintaining Focus in Changing Times. Hyatt Regency, Calgary, Alberta. May 6, 2009.
2. **Giese-Davis, J.** *Survivorship Outcomes: Alberta Provincial Breast Cancer Program Retreat* (January 30 - February 1, 2009), Kananaskis Country, Alberta.

Paper presented at the World Psychosomatic Medicine Conference Hawaii.
11. **Giese-Davis, J.**, Butler, L. D., Koopman, C., Cordova, M., Classen, C., Kraemer, H. C., et al. (2003, April 23-27). Change in emotion regulation mediates change in trauma symptoms and mood disturbance in women with metastatic breast cancer following supportive-expressive group therapy. Paper presented at the 6th World Congress on Psycho-Oncology, Banff, Canada.
12. **Giese-Davis, J.** (2002, April). Community/research collaborations, how to reach more of the people more of the time with evidence-based interventions. Chair of symposium which included: Giese-Davis, J., Bliss-Isberg, C., Carson, K., Donaghy, J., Star, P., Batten, C., & Spiegel, D. (2002, April). Peer Counselors in a training session provide accurate predictions of who will be an effective peer navigator. Symposium presented at the annual meeting of the Society for Behavioral Medicine, Washington, D.C.
13. Perry, C.J., **Giese-Davis, J.**, Spiegel, D. (2002, April). Emotional expression during narratives in a breast cancer support group. Talk presented at the annual meeting of the Society for Behavioral Medicine, Washington, D.C. Citation award.
14. **Giese-Davis, J.**, Perry, C. J., Abercrombie, H., & Spiegel, D. (2002, October 2-6th, 2002). Steeper diurnal cortisol rhythm associated with greater primary negative affect and greater positive affect within spoken narratives in cancer support groups. Paper presented at the Society for Psychophysiological Research 42nd Annual Meeting, Washington, D.C.
15. Ellis, W., **Giese-Davis, J.**, Lieberman, M., Golant, M., Simon, J., Spiegel, D. Emotional expression and therapist behavior in online vs. Face-to-face breast cancer support groups: a comparative study Poster presented at the annual meeting of the Society for Behavioral Medicine, Washington, D.C.
16. **Giese-Davis, J.**, Sephton, S., & Spiegel, D. (2001, October). Less coded expression of primary negative affect associated with flattened diurnal slope of cortisol. Paper presented at the Annual Conference for the Society for Psychophysiological Research, Montreal, Canada.

17. **Giese-Davis, J.** (2001, August). Emotion regulation and metastatic breast cancer. Invited symposium 16th World Congress on Psychosomatic Medicine, Goteborg, Sweden.
18. **Giese-Davis, J.,** Sephton, S., Duran, R. E., Spiegel, D. (2001, July). Repression and physiological risk factors in women with metastatic breast cancer. Paper presented at the World Congress of Behavioral and Cognitive Therapies, Vancouver, Canada.
19. **Giese-Davis, J.** (Nov. 2000). Thinking about feeling: Emotional Expression in the lives of people with cancer. Invited address, Psychiatry Grand Rounds, Memorial Sloan-Kettering Cancer Research Hospital.
20. **Giese-Davis, J.,** Koopman, C., Butler, L., Classen, C., Cordova, M., Fobair, P., Benson, J., Carlson, R., & Spiegel, D. (2000a). Change over time in emotional control in supportive-expressive group therapy for metastatic breast cancer patients. Paper presented at the Society of Behavioral Medicine, Nashville, TN.
21. **Giese-Davis, J.,** Sephton, S., Duran, R., & Spiegel, D. (2000b). Repression associated with a physiological risk factor for shorter survival in women with metastatic breast cancer. Paper presented at the Society of Behavioral Medicine, Nashville, TN.
22. **Giese-Davis, J. & Spiegel, D.** (1999, June) Suppression, Repression, and Restraint in Metastatic Breast Cancer Patients. Talk to be presented at the annual conference of the (Non) Expression of Emotion, Tilburg, The Netherlands.
23. **Giese-Davis, J.,** Kronenwetter, C., Golant, M., Chang, V., Benjamin, H., & Spiegel, D. (1999, March). Qualities of Cancer Support Groups to Consider When Implementing Support Programs. Presented at the annual meeting of NIH/NCI: Cancer Survivorship: Research Challenges and Opportunities for the new Millennium, Bethesda, MD.
24. **Giese-Davis, J.,** Koopman, C., Butler, L.D., Classen, C., Morrow, G. R., & Spiegel, D. (1999, March) Self-Efficacy with Emotions Predicts Higher Quality of Life in Primary Breast Cancer Patients. Presented at the annual meeting of The Society for Behavioral Medicine, San Diego, CA.
25. **Giese-Davis, J.,** Symons, B., Sephton, S., Cacioppo, J., & Spiegel, D. (1998, September) Repression, suppression, restraint: Cardiovascular reactivity in metastatic breast cancer patients. Presented at the annual meeting of the Society for Psychophysiological Research. Denver, CO.
26. **Giese-Davis, J.,** Hermanson, K., Koopman, C. and Spiegel, D. (1998, Aug.) Affective engagement and couple's adjustment to metastatic breast cancer. Presented at the annual meeting of the American Psychological Association Meeting. San Francisco, CA.
27. **Giese-Davis, J.,** Golant, M., Alt, C. and Spiegel, D. (1998, May) Topics Discussed in Cancer Support Group Meetings: Dimensions of 'Support'. Presented at the annual meeting of the American Psychological Society, Washington, D.C.
28. **Giese-Davis, J.,** Koopman, C., Butler, L.D., Joss, J., Classen, C., Roberts, J., Rosenbluth, R., Morrow, G.R., & Spiegel, D. (1997, May), The Stanford Self-Efficacy Scale for Serious Illness: Reliability, validity, and generalizability. Presented at the

annual meeting of the American Psychological Society, Washington, D.C

29. **Giese-Davis, J.** The Development of Support Groups, (1997, February) Presentation to the annual meeting of the California Association of Regional Cancer Registries (CARCR), San Francisco, CA.
30. **Giese-Davis, J.**, Miller, G.A., and Zeiss, A.M. (1994, March). Internal Conflict in Chronic Illness Groups. Presented at the annual meeting of The Society of Behavioral Medicine, San Diego, CA.
31. Fernandes, L.O.L., **Giese-Davis, J.E.**, Hicks, B.D., Klein, D.N., & Miller, G.A. (1994, October). Converging evidence for a memory anomaly in early psychopathology. Presented at the annual meeting of the Society for Psychophysiological Research, Atlanta
32. Etienne, M.A., Deldin, P.J., **Giese-Davis, J.**, & Miller, G.A. (1990, October). Differences in EEG distinguish populations at risk for psychopathology. Annual meeting of the Society for Psychophysiological Research, Boston.
33. Ebert, L., **Giese-Davis, J.**, Fernandes, L.O.L., & Miller, G.A. (1989, October). Specific attention deficit in anhedonia: Autonomic evidence. Annual meeting of the Society for Psychophysiological Research, New Orleans.
34. **Giese-Davis, J.**, & Miller, G.A. (1988, October). Template deficits in anhedonia. Annual meeting of the Society for Psychophysiological Research, San Francisco.
35. **Giese-Davis, J.**, & Miller, G.A. (1987, October). Stimuli mismatch effects in anhedonia and dysthymia. Annual meeting of the Society for Psychophysiological Research, Amsterdam
